

HAPPY NEW YEAR

FRANKIE'S FRONT PAGE NEWS 2011

Welcome everyone to 2011, a new start to new goals letting go of last year and starting fresh. For those that made their goals last year hooray! For those of us that are still working on it don't give last year a second thought focus on what we will do this year! We can do it! And we will, and if it doesn't happen this year don't let that stop you just keep your eye on the ball. Life is too short to worry about what should have been, sometimes we spend too much time on things we can't change so let's focus on what we can and will change. Remember we are on the "Road to Success" this year!

I have some very exciting news to share; Judy Pettit has said that I can combine chapter visits, so my chapters that are so far away lets plan a Saturday that we can all get together and enjoy the Area Captain program, once the weather breaks. I am very excited about this as I do feel bad about the chapters I don't get a chance to visit because I work days and this way we can have a nice Saturday together. Plus the chapters can share the mileage expense and with SRD coming up any way we can save for that exciting and informative weekend we should take advantage of. It is mandatory that I visit each chapter so combining the visits will help me to obtain this.

FEBRUARY TOPS NEWS leaders you will receive 2 copies so you can keep one with the chapter and one for you. The reason is the chapter manuals will be in this issue, it is important that you share this information with you chapter, when we get this issue you should have everyone bring their copy and go over it at one of the meetings. That way everyone is on the same page.

I know I sound like a broken record but I would really love to share anything with all our chapters, success stories, open houses, health fairs, fund raisers, or a walking challenge. I would love to know about what your chapters are doing and if I can I would love to help. So let's make 2011 a great year! I'm only a call or click away.

Thank you #NY 757 Dunkirk for the lovely and fun night at your Christmas party, it was great to see everyone. Thank you for including me.

Lets all have a great year this year! Thank you for all you do. TOPS LOVE and mine, Frankie
