CHAPTER VISITS!

Leaders I will be contacting you about chapter visits I have had the pleasure of doing the Area Captain program for some of the chapters already and it's one I think that you all will enjoy. Morning chapters please see if we can make arrangements to change one meeting to an evening or Saturday that way I can visit you also, I work till 5pm so bring it up at the meeting and see how many are willing to change just one meeting so I would be able to come visit you too. I don't want to leave anyone out every chapter is important to me. Also feel free to call or e-mail me I love to hear that you're excited about this year's program. Here I am with Joyce the leader of #NY 896 Westfield.

KOPS NEWS!

KOPS I would love to see all of you at this year's first KOPS Rainbow Honor Society meeting on April 24, 2009. It will be hosted by #NY 1119 Falconer. It really is a nice time and they always have a sensible lunch. The cost is \$5.00 per year to join and the cost for the lunch is \$7.00. TOPS within 10 lbs of goal are invited to visit and get the encouragement to become a KOPS. Let's show KOPS our support. I would also like to congratulate Kathy Steel from #NY 757 Dunkirk for being a reinstated KOPS! Great job Kathy!

HELPFUL HINGS!

Leaders it is very important that you share any and all information from TOPS with your chapter as soon as you get it. Something's have deadlines so our immediate attention helps everyone. That also goes for renewing memberships please don't let them lapse, you may renew thru your chapter or online. Make sure chapter checks have two signatures. Any paperwork is to be sent within 3 days of meeting.

SRD!!

SRD is right around the corner I hope all are planning on attending. I would love to see my area winning awards! So please be encouraged to enter contest. It is such an honor to be up on that stage and be rewarded for all your hard work. And KOPS to be recognized for each year you have maintained your goal that is just fantastic and when the lights go down and you're in the circle of light I feel so very proud. That is one of the best things about TOPS no matter how long it takes us to reach our goal or even if we never reach our goal, we receive the same love and support.

Teens please be making plans to attend this year my chapter is in charge of the workshop for you and I am very excited about it! I would love any idea's you might have. I can't wait to hear how TOPS has helped you; how you think we may be able to help you more. So saddle up and let's run for the roses!!!

WORKSHOP!
