CHANGE IN REGISTRATION PROCESS: Since the SRD registration committee is using a new software program to make their job easier there has been a change in the registration process. Each attendee must fill out a form marking any events they are participating in. The chapter will need to make a copy of the enclosed individual's registration form for each person attending. There is also one form that will be completed and returned for chapter registration. Gather all the forms and return with a chapter check to Lucille at the address above. Everything goes to just one address.

Remember – one individual registration form for each person. One chapter registration form for the chapter. It's that simple.

Deadline for pre-purchasing souvenirs is MARCH 6.
Deadline for all registrations is APRIL 30.

IMPORTANT: A DESIGNATED PERSON MUST PICK UP THE REGISTRATION PACKET UPON ARRIVAL AT SRD.
